## Reference Guide: Enrollments – Mass Trainee Upload

Welcome to the California ETMS/ETP Main Menu screen. Employers like you play a valuable role in offering specialized training to California workers and ETMS provides the features to support your Application process and Contract experience.

Once your Application has been approved at Panel and the Contact is signed, you will be able to begin Enrolling your trainees. This Guide will show you how to Mass Enroll your Trainees.

Under the Employment Training Panel section, go to the ETP Applications fly-out and select the Contract link.
